

**CASE DIGEST:**     *AFGE, Loc. 1748, Nat'l Council of Field Lab. Locs.*, 73 FLRA 233  
(2022)

In this case, the Union filed a petition for review of two proposals that required the Agency to assign workers' compensation claims to employees based on geographical considerations. Because the Union failed to establish that Proposal 1 was within the duty to bargain, and Proposal 2 was inextricably intertwined with Proposal 1, the Authority dismissed the petition.

This case digest is a summary of a decision and order issued by the Federal Labor Relations Authority, with a short description of the issues and facts of the case. Descriptions contained in this case digest are for informational purposes only, do not constitute legal precedent, and are not intended to be a substitute for the opinion of the Authority.
